

# 15.3 Licenza e numero utenti

In tutte le pagine di vtenext, in basso a destra, si trova il Copyright e la Licenza, cliccando la quale, si accede ad una popup contenente tutti i termini d'uso di una licenza Business del programma.

Dalla versione 19.10, e solamente per le **installazioni On-Site**, è possibile vedere quanti utenti sono disponibili per quella determinata licenza e quanti di questi sono stati attivati.

Nella medesima popup, è anche disponibile la **data di scadenza della licenza** installata.

VTENEXT Business License

The VTENEXT software ("the Software") is copyright © 2017 VTENEXT SRL of VERONA, Italy ("VTENEXT"). Use of the Software is permitted subject to the below terms and conditions. A company or other legal entity wishing to deploy the Software ("Customer") must accept these terms. Without acceptance, Customer may not use the Software except as permitted under the GNU Affero General Public License version 3 ("AGPL").

Article 1. Grant of license

VTENEXT hereby grants Customer a limited, non-exclusive license to install, deploy and use the Software for its business operations.

The license is limited to Customer. Customer may not distribute copies to third parties, and may not make available functionality of the Software to third parties, for example through a Software-as-a-Service business models or by offering the services of the Software to third parties. Independent contractors working for the sole benefit of Customer, e.g. consultants and temporary employees hired through a staffing agency, are not considered third parties. The license includes the right to make modifications to the Software and to have independent contractors make modifications to the Software for the sole benefit of Customer.

VTENEXT may make available optional modules to the Software for separate use. If and when Customer acquires such modules, the present license terms shall apply to such modules. All references to the Software shall be construed as applying to modules, except where indicated otherwise.

The Software is licensed, not sold. No copyrights or other intellectual property rights are transferred to Customer. The intellectual property on any modifications made by or for Customer shall rest with Customer, subject to the underlying intellectual property rights of VTENEXT.

## Licenza On-Site
