

# 12.2 Projects

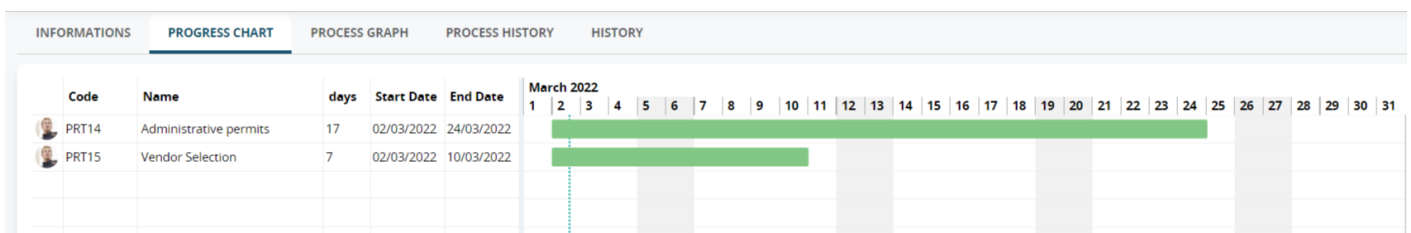

To create a new project, access the module and press the button

+ CREATE

## Key fields:

<b>Related to</b>	Link to the customers' registry (Accounts/Contacts) present in vtenext, if the project relates to the customer. If it is an internal project, it can be left empty
<b>Type</b>	Customisable according to the types of projects in use in your company
<b>Progress</b>	Percentage value of project progress
<b>Status</b>	Important for knowing the state of progress of the project

In the "Progress Chart" tab you can view a Gantt chart of the project (see below, when we will link Project Tasks and Project Milestones).

Revision #1
