

3.5 Contacts

As with Leads and Companies, Contacts are also organized with filters and information cards. The main Contact information includes the relation with the respective Company. The relations menu can be used to access (and add) correlated data.

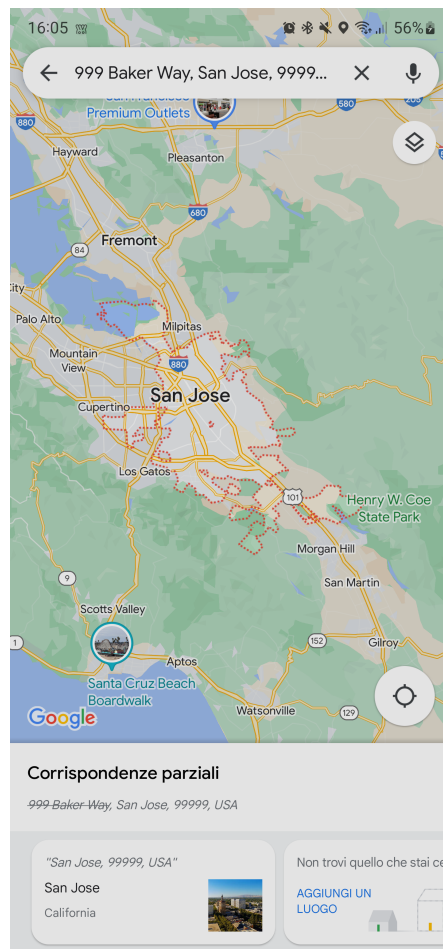

The screenshot shows a mobile application interface for a contact detail view. At the top, a dark blue header bar contains a back arrow, a profile icon, the name 'Daniele Ferro', the title 'Contact', and a star icon. Below the header is a white bar with icons for chat, documents, calendar (with a '1' notification badge), checkmarks, and a refresh icon. The main content area is titled 'Contact Information' and contains several input fields: 'Salutation' with the value 'Eng.', 'First Name' with 'Daniele', 'Office Phone' with '0987654321' and a phone icon, 'Last Name' with 'Ferro', 'Mobile' with a phone icon, 'Account Name' with 'Account > iFerro' and a right arrow, 'Title' (empty), and 'Decision Maker' (empty). An orange 'EDIT' button with a pencil icon is located at the bottom right of the form. At the very bottom is a navigation bar with icons for home, a grid, chat, email, and a menu.
